

WE DEMAND THE
DREAM
FOR OUR STUDENTS

#DreamForOurStudents **DreamForOurStudents.wordpress.com** **#DreamActNow**

Dear friends in learning,

We, the undersigned, educators, authors and illustrators need your help and we need it fast.

Approximately **800,000 children and young adults are at risk of incarceration and deportation** because of the Trump Administration's unjustified and swift cancellation of the DACA program. Of those 800,000, **approximately 20,000 are teachers at risk of deportation**. The cancellation of TPS programs will cause another 100,000+ refugees to be deported after living, working, and raising families in the United States.

As educators and authors, we know both speech and silence are political acts. We believe we have a duty to the children we serve through our writing, art, teaching, and example to raise our voices in rejection of this administration's racist agenda. We believe we must collectively act.

We commit to demanding a "Clean" Dream Act and the extension of TPS for all holders. We ask that you join us and pressure your Congressional representatives to do the same.

We ask that you join us in three very specific ways:

1. Commit to Call/Write congress EVERY DAY through December 15th.
2. Every day, after you call/write: Publicize. Use **#DreamForOurStudents** and **#DreamActNow** on social media.
3. Connect, follow, donate, and/or show-up for immigrant rights organizations.

We use our words, images, and lessons to change minds. We must also use them to change our country.

Together in the fight!
